

**Verizon Wireless Paper Bill to Raw Data Download Mapping Tool**

This worksheet shows mapping from the Verizon Wireless Paper Bill to the My Business Account Raw Data Download (RDD) files.

It also provides a mock-up, based on one mobile telephone number, of all possible billable services offered by Verizon Wireless.

The paper bill column heading represents wording on each page of the bill. The wording should be used as a guide while walking through your company's paper bill. Please note that some billable services may not apply to your account.
