

Dear Device Protection Subscriber,

We recognize during these challenging times that you may be directly impacted by the COVID-19 pandemic and we would like to explain benefits which are available to you as an insurance customer enrolled in one of Verizon Wireless' Device Protection programs that includes Wireless Phone Protection, such as Total Mobile Protection.

In accordance with New Jersey Executive Order 123, Verizon Wireless is able to provide premium payment assistance in the form of acceptance of a more flexible repayment schedule and extended grace periods. No additional fees will apply. If you are experiencing a financial hardship as a result of the COVID-19 pandemic, you can opt into receiving repayment accommodations at <https://www.verizon.com/about/news/our-response-coronavirus>. With your election, you will receive an immediate 90-day grace period (from May 1st), as well as flexibility to pay your policy premium over a 12-month period.

Should you have any questions regarding this notice or would like to discuss alternative payment arrangements, please reach out to Verizon Wireless at 1-800-922-0204 or visit <https://www.verizon.com/about/news/our-response-coronavirus>.

Thank you,
Asurion
