

One Talk CPE90

Specifications

Optimal
HD voice

Capacitive
mute touchpad

Wired expansion microphones for the CP960 IP conference phone

The One Talk CPE90 wired expansion microphones (SKU: CPE90) work as an additional audio input device for the CP960 IP conference phone. Up to two expansion microphones can be connected to a CP960 IP conference phone to help extend the phone's range by an additional 10 feet or 360 degrees, respectively. Advanced echo cancellation and noise suppression filter out unwanted sounds.

Key features and benefits

- Optimal HD voice
- Full duplex technology
- 10-ft, 360° voice pickup
- Capacitive mute touchpad
- Echo cancellation
- Designed to be used with the CP960 IP conference phone
