Create an AR Emoji
Turn your selfie into an emoji.

1. From the Home screen, tap Camera > AR Emoji > Create My Emoji.
2. Tap to capture your photo and customize and save your emoji.

Personalize messages with an emoji
1. Tap Messages > New message > Enter message field.
2. Tap Stickers to add a GIF or your very own emoji or sticker, and then tap Send.

Gestures
Customize the Home, Back and Recents keys or remove them and use gestures instead to increase screen space.
1. From Settings, tap Display > Navigation bar.
2. Tap one of the following Navigation types:
   • Navigation buttons (default)
   • Full screen gestures
   • Button order
   • Gesture hints (Displays only when full screen gestures is selected)

Recent apps
Enjoy the new full-screen view of recent apps.
1. Tap Recents to view a list of recently opened apps.
   • Tap an app icon to view options.
   • Swipe up to close.
   • Swipe down to open.

Manage your account
My Verizon Mobile app
Manage your account, track your usage, edit account information, pay your bill and more.

Performance
Bixby Routines
Create custom routines that change your phone settings based on your location or activity. For example, while driving you can create a routine to automatically read notifications aloud.
1. Drag the Status bar down to display the Notification panel.
2. Touch and drag — to access all Quick Settings options.
3. Tap Bixby Routines. Then touch and hold to set up.

Wireless PowerShare
Wirelessly charge compatible devices right from your phone.
1. Drag the Status bar down to display the Notification panel.
2. Touch and drag — to access all Quick Settings options.
4. With the phone face down, place the device on the back of the phone to charge.
