About your phone

Set up your phone

Your SIM card may be pre-installed.

1. Insert SIM/microSD card

Place the SIM card and optional microSD card into the tray with the gold contacts facing down.

2. Charge your device

Before turning on your phone, charge it fully.

3. Search

From the Home screen swipe up to search for apps, settings, contacts, and more.

Search Customize your phone

From the home screen, swipe up and then tap Settings to customize, connect and personalize your phone.

1. Connect your device

Connect to a Wi-Fi™ network, Bluetooth device and other connection options.

2. Display

Customize the home screen, navigation gestures, and display brightness.

3. Wallpapers and themes

Make the device your own with fun and unique wallpapers and themes.

4. Digital wellbeing

Configure usage limits on your device.

5. Lock screen

Select a screen lock type and set security options.

6. Biometrics and security

Set facial or fingerprint security options.
