Meet your Jetpack.

**MiFi 7730L**

**WARNING!** Please use only an approved charger to charge your Jetpack. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your device and void the warranty.

**NOTE:** Appearance of device may vary.
**Important:** The default Admin password is the same as the default Wi-Fi password. To change either password, access advanced settings (see Connecting to the Internet). The default Admin password is the same as your Wi-Fi password. When you first get your Jetpack, this will be the same as your Wi-Fi password. (See Finding the Wi-Fi name and password.)

**Resetting your Jetpack**
To restore your Jetpack to the factory settings, follow the steps below:

1. Connect your Wi-Fi-capable device to the Jetpack (see Connecting to the Internet).
2. Open a web browser on your computer or Wi-Fi–capable device.
3. Enter your Wi-Fi password when prompted. Your Wi-Fi–capable device will now be connected to the internet.

From the Home screen, tap Settings or the Admin website. (See Accessing advanced settings).

**Monitoring data usage**
You can monitor your Jetpack data usage and set up usage alerts through your My Verizon account. You can also see current usage details on your Jetpack. You can monitor your Jetpack data usage and set up usage alerts through your My Verizon account. You can also see current usage details on your Jetpack.
